**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner that supports broadband competition. Only through competition can we have progressive growth, improved service and stable costs.

I am also a (senior) citizen that the ability to communicate is a necessity that shouldn't be impaired at the whim of some service provider.
